

Write a Letter

Have you ever wanted to convince your family to get a new pet?

STEP 1: Follow these simple instructions and maybe you will get a pet just like Lynette.

A good letter includes a greeting.

For Example....

Dear Mom & Dad

STEP 2:

Your letter should have a body paragraph.

If you really want to convince a family member to get pet, you should tell them what kind of pet you want and why. BE SURE to tell how you can be RESPONSIBLE!

For Example...

I really want a dog because I think it will add lots of love to our home.

I will be responsible by walking our dog in the morning, and making sure it gets lots of playtime in the yard.

STEP 3:

A great letter includes a closing. You can add a picture to make your letter extra special!

For Example....

*Love,
Lynette.*

Dear _____,

I really want a _____ because

I will show I am responsible by...

Love,
